Missional - looking at others, serving, spreading the Gospel
Pathway - a route, a passage, a course

For nearly five months, Good Shepherd has been traveling on the **Missional Pathway** - learning a route to serving each other and our community, to spreading Jesus' love and message of salvation to each other and to those around us. If you have joined in the first two steps along the way, you may have learned some things about yourself, you may have learned some things about your neighbors in the pew. You have hopefully been personally challenged, inspired, and motivated. But you cannot stop here. If you have not yet been able to participate, you are still needed! Our next session is for each member of our congregation as a whole - **you** are important. Whether you are a charter member, a new member of our family, or fall somewhere in-between, you have a perspective different from anyone else around you. Your viewpoint, your opinion, your history is valuable. Won't you join us for an afternoon?

Missional Pathway: ASSESS

Sunday, February 23

12:00 - 5:00 pm

Lunch will be served. Child care will be provided.
